

LEBRON PEREIRA

B.Tech Computer Engineering | Full-Stack Developer | Mumbai, India

lebronpereira7@gmail.com | github.com/Lebronmeow | linkedin.com/in/lebron-pereira | lebronmeow1.github.io

EDUCATION

Fr. Conceicao Rodrigues College of Engineering

Jan 2024 – Feb 2028

Bachelor of Technology — Computer Engineering | Minor in Business Management

Thomas Baptista Junior College

2022 – 2024

Higher Secondary Certificate (HSC) | Grade: Distinction

St. Aloysius English High School

Jun 2011 – Apr 2022

Secondary School Certificate (SSC) | Grade: Distinction | Activities: Football, Shot Put, Dance

EXPERIENCE

Business Development Specialist Intern — Younity.in

Sep 2025 – Oct 2025

Remote Internship | Agra, India

- Completed a 14-day internship recognised for Communication, Negotiation, and Client Dealing.
- Awarded Top Intern of October 2025 at Younity.in for outstanding Revenue Generation performance.
- Applied CRM strategies and business development techniques in a remote, fast-paced environment.

PROJECTS

Job Scam Detector — Browser Extension & Dashboard

JavaScript, HTML, CSS

- Built a Chrome extension that detects and flags potential job scam listings on recruitment websites in real time.
- Implemented content scripts to analyse page text and highlight suspicious patterns with visual warnings.
- Developed an accompanying dashboard to review flagged listings, track scam patterns, and manage alerts.

Grace Engineering — Client Business Website

Next.js, React, Deployment/Hosting

graceengineering.in | Freelance Client Project

- Designed, built, and shipped a full company website for a CNC precision-machining client, from first draft to production.
- Owned end-to-end delivery including domain setup, hosting, and deployment for the live client site.
- Built out sections for services, industries served, facility gallery, and ISO 9001:2015 certification, using AI-assisted development workflows.

Syntax Gym — Coding Practice Platform

React, Vite, JavaScript, CSS

- Developed an interactive coding practice app built with React + Vite for a fast, modern experience.
- Structured practice data generation and a clean responsive UI to support consistent developer skill-building.

Book Haven — Book Discovery Platform

Team Project, React/Frontend

bookhaven.ryanpereira.xyz

- Collaborated on a team project building a book discovery platform for browsing titles and building wishlists.
- Owned frontend/UI development, translating designs into a responsive, user-friendly browsing experience.

Meme Sorter — Algorithm Visualiser

JavaScript

- Built a fun, visual tool that teaches sorting algorithms (Bubble, Merge, Quick Sort) through animated meme sequences.
- Each sorting step is represented by meme cards rearranging in real time, making abstract CS concepts intuitive and engaging.
- Designed to help beginners understand time complexity and algorithm behaviour through interactive play.

Personal Portfolio Website

HTML, CSS, JavaScript

lebronmeow1.github.io

- Designed and built a personal developer portfolio showcasing projects and progress across different programming languages.
- Implemented an immersive experience with background music, video, dynamic quotes, and glowing visual effects.

VOLUNTEERING

Volunteer — Rotaract Club, Fr. CRCE

Feb 2025

Focus Area: Children | Duration: 1 month

- Took on Public Relations and Ground Force operations at HSR7, held at the iconic 'I Love Bandra' sign.
- Engaged with the public and managed on-ground coordination during the community event.

Volunteer — CRMD 2025, Fr. CRCE

Aug 2025

National-Level Debate Competition | Duration: 1 month

- Volunteered at the Conceicao Rodrigues Memorial Debate, a national-level competition at Fr. CRCE.
- Managed logistics, participant flow, and on-ground execution. Awarded certificate of recognition.

CERTIFICATIONS & ACHIEVEMENTS

- IBM SkillsBuild — Introduction to Retrieval Augmented Generation (RAG) | Aug 2025
- IBM SkillsBuild — AI Micro-course Completion | 2025

- HackerRank — 5-Star Gold Badge in SQL | 2026
- Top Intern of October 2025 — Younity.in
